To the Seniors:

As your graduation day approaches, one of the dreams of childhood and youth is about to be realized. You will soon be leaving us and going out to take your place in the community and world.

The problems you will meet will be new, but so are you who will face them. The future of our nation will rest in your hands and in those of seniors all over the country. If the great majority is like you girls, with your loyalty to your school, your willingness to serve, and your sense of responsibility, I feel that our country will be safe.

It has been a pleasure to have been your teacher, sponsor, and principal; and I wish you both the very best things of life.

You have proved the old saying to be so true: "It is quality and not quantity that really counts."

Class History

In the glorious year of nineteen hundred and forty-eight, ten little wild riders bravely started for Pine Township School. They were Linda Hawk, Donnie Stout, Helen Barrett, Larry Bollinger, Donna Williams, Nancy Weisenberger, Johnny Boyd, David Blessing, Junita Horton, and Bobby Foxeexter. During this year Junita Horton moved away, leaving nine of us to annoy Mrs. Fowler.

During our second year with Mrs. Fowler, we added one new student, Priscilla Dean from Brook, to our class. In the summer we had lost Bobby Foxeexter and Helen Barrett, and Donnie Stout was retained in the first grade.

1950 found us in a new room and with a new teacher, Miss Clem, who is now Mrs. Ann Nelson. In the third grade we were seven strong and increased to nine when Ernest Anderson and Nelson Dawson moved to our township.

In the fourth grade we again had a new teacher, Mrs. Kinsel. At the beginning of the year there were eight of us to run her ragged plus Wayne Hayward. But as the year progressed, we lost Larry Gohlinger because of illness. Not long after, we added Jerry Staggs to our roll call, only to lose three others--Johnny Boyd, Linda Hawk, and Priscilla Dean--leaving us with six.

In the fifth year of our quest for education, we started with eight, counting the old regulars and two new additions, Nancy and Barbara Rosenbarger. Near the close of 1952, Miss Clem was kept busy signing in Shirley Coffey from Wadena, and saying good-bye to Nancy and Barbara Rosenbarger. So we journey on into our last year of grade school, numbering seven.

This was it--1953--the year before we take that big step into junior-high. Our roll call was Ernest Anderson, David Blessing, Shirley Coffey, Jerry Staggs, Nancy Weisenberger, Donna Williams, and Fieta Shackelford who took Wayne Hayward's place since he had decided to leave us in the summer. In October we lost Jerry Staggs, and so Miss Clem had only six of us to contend with.

Here we were in the seventh grade. It was rather confusing but fun. Especially confusing is the fact that we lost Fieta Shackelford in the summer, gained Harold Anderson, and then we lost Ernest Anderson. Only three girls--Shirley Coffey, Nancy Weisenberger, and Donna Williams, and two boys--Harold Anderson and David Blessing--what's to become of us! So as the 1954-55 school year came to a close, our class of five struggled on.

With the coming of the eighth grade, you find five seats which belong to Harold Anderson, David Blessing, Shirley Coffey, Nancy Weisenberger, and Donna Williams. All of whom are the most well behaved students Pine Township has ever had--when the teachers are looking, that is.

Well, we finally made it through junior-high. Now to start high-school we have our faithful five, and up until March everything goes fine. Then David blessing decides to leave, and Monticello sends us Don Ward in his place. Numbering five, we go on through 1956-57 to the tenth grade.

It seems as though we have trouble holding the men in our class, for now we lose Don Ward, and in November we lose Harold Anderson to the Army. So the class of 1957-58 now has three

The school year 1958-59 finds the senior class consisting of three girls--Shirley Coffey, Nancy Weisenberger and Donna Williams. Wouldn't you know it, Shirley Coffey tells us she too will be moving to Boswell in the summer.

Therefore, the year of 1959-60 now finds two of us out of ten in the high position of SENIOR at Pine Township School.

Therefore, the year of 1960-61 now finds two of us, Nancy Weisenberger and Donna Williams, out of ten in the high position of SENIOR at Pine Township School.

SELF-ADMIRATION

I'm a paragon of virtue,
The pick of the crop,
A model of excellence,
Right at the top.

I'm matchless perfection,
Really the best.
I'm peerless, first-rate.
I can pass any test.

I'm priceless, unequalled,
Inimitable, select,
Inestimable, unparallelled,
Superfine, elect.

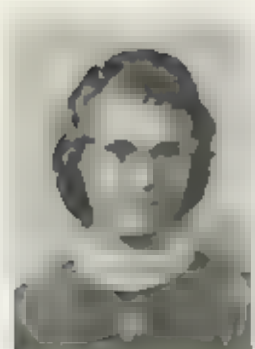

I'm a senior.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is densely packed and covers the entire page, with some lines appearing to be underlined or separated by small gaps. The ink is dark, and the paper shows signs of age and wear.
